The Grade 8 Heritage fair will take place on **Thursday, March 26th, 2015**. Details to follow.

Thursday March 12th is MDJH Science Fair Day!

The MDJH School Science Fair this year will be Thursday, March 12th, 2015, 1:30 - 5:30 pm.

Science students have been busy at work designing and performing experiments. Many of them will be proudly showing off their work at our School Science Fair. It will be, as every year, a big event with a high degree of community involvement from parents and other scientists. We are very proud of our high rate of student participation!

WANTED: Science Fair Judges

If you have a science background and want to share in the excitement of doing and talking science with young people, we want you! Judges visit individual projects and engage the students in conversation about their work, giving each participant the benefit of a supportive, enthusiastic, and thoughtful audience for their learning. Then the judges help select the Science Fair winners, who will have the option of going on to the Regional Science Fair or other events depending on their type of project.

Spelling Bee News!

The second level of the Spelling Bee competition, sponsored by The Telegram, was held on Thursday, February 5th, in the LRC. Two student winners from grade seven and eight classes were involved. It was a real "nail biter" as numbers of competitors dwindled and words became increasingly more complex.

Rine Zaman of 8-2 placed first while **Jake Clarke** of 8-5 placed second. Both boys will move on to the regional competition. The Telegram Regional Spelling Bee will be held on **Saturday, February 28**, at Holy Heart auditorium. The show starts at 2:00 pm. Come out and support our fantastic spellers!

Soy Butter Products

Parents and students are advised that soy butter products/peanut butter replacement products are not permitted within our school environment. Due to the presence of students with anaphylactic allergies to peanuts/peanut products and the difficulty for teachers on duty to distinguish between the products we ask for the cooperation of students and parents to pack an alternative snack/lunch items. And while we recognize that peanut butter replacement products do not present risk of an anaphylactic allergy, the presence of

Allergy Alert

We have a number of students with life-threatening allergies to various products. See the list below:

Parent Portal Information for PowerSchool

By now all parents should have access to their child's daily attendance and marks. If you have not received your Portal Information please contact the Main Office: May-Burke@nlesd.ca

Attendance

Parents please note that there is a 24 hour delay when items are entered in PowerSchool and this might explain some of the issues we may be having regarding attendance and corrections particularly when students sign in later in the day.

Yearbooks

MDJH will again offer a yearbook for the 2014 - 2015 school year. A yearbook committee has been formed and work has begun. An announcement will be made over the PA and in the next newsletter to inform parents

and students when pre-orders for yearbooks will take place. Yearbooks will be \$20 and must be preordered. The number of preorders we get will determine whether we have enough orders to proceed with the production of a

yearbook. Yearbooks are a great keepsake of the years spent at MDJH. The yearbooks will not be available until the fall of 2015. This will allow all events of the school year to be included in the book.

Seeking Yearbook Photos

We are currently looking for pictures of all teams and clubs at MDJH. Any parent or student having a photo to submit to the yearbook can email their photo to:

colettequann@nlesd.ca.

Remember any photos taken on an iPhone or iPad need to

be saved or sent in actual size as selecting the lowest resolution will result in a poor quality picture which can not be used in the book.

Pink Day

On **Wednesday, February 25th** the students and staff of Macdonald Drive Junior High will be celebrating **Pink Day**, a national day recognizing Bullying Awareness with the message that **Bullying Stops Here!** This day originated in Nova Scotia when a group of boys noticed a new grade 9 student being bullied for wearing pink. To show their support of the new student they, along with several other male students, arrived at school the next day wearing

pink shirts. To promote the anti-bullying theme of Pink Day, students at MacDonald Drive Junior High will be offered **pink cupcakes** on **February 25th** when they wear an article of pink clothing to school that day.

This endeavor has been very successful in the last few years due to the tremendous support of our students and parents.

Once again this year we are requesting parental donations

of **pink cupcakes** for **Wednesday, February 25th**. If you are able to help us in this endeavor please email Ms. Susan MacNeill at susanmacneill@nlesd.ca or contact the school at 753-8240. Cupcakes should be delivered to the office by 9 a.m. Wednesday morning. Please remember that this is a nut-free environment.

Visitors will be asked to sign in and wear a visitor ID tag. Thank you for your cooperation with this initiative.

Chronic Lateness Concerns

have made a significant contribution, we want to know about it for our Green Apple Alliance Wall of Celebration. We will post a certificate with the student's name, activity and contribution/achievement for all to see and celebrate.

Environmental Club

The MDJH Environmental Club has been granted \$1000 from the Youth Engagement Funding Initiative, a project of the Climate Change Educational Centre, delivered through the Conservation Corps, NL.

Ms. Drover and the Environmental Club are planning on building

seating in front of our school to double as an outdoor classroom and also as a place for students to eat their lunch and relax when weather permits. Fall bulbs have already been planted in this area and come spring our seating will be built. Parent volunteers are welcome to participate with Ms. Drover and the students in build-

ing the seating. Let's keep MDJH a green school. This is another initiative of the Green Apple Alliance at MDJH.

Instagram

Instagram: Owned by Facebook. Instagram is an online photo-sharing, video-sharing and social networking service that allows users to take pictures and videos, change the way a photo looks using digital filters and share them on social networking sites. It's known as Selfie central! Parents need to make sure the privacy settings are set to allow friends they know to see the images. Also, the Geo-location feature needs to be turned off to mitigate online predator risk. Parents should also be aware that Instagram has recently been linked to buying and selling drugs. Required age of use is 13 years old. This is an app commonly used by younger kids today. Parents clearly need to supervise use!

While Instagram used to be something students posted to daily (or hourly depending on the person), with the creation of Snapchat that has been greatly reduced. Like Facebook who owns Instagram, kids just aren't using it as much. Partly because Snapchat is WAY more fun and also because parents can't see your Snapchat photos & videos.

Flavoured Tobacco / E-Cigarettes

Flavoured tobacco products are the same as regular tobacco products except they have flavours added. Some flavours include apple, cherry, peach, mango, bubblegum, vanilla, cotton candy and chocolate. Many are strongly scented and packaged in bright colours. In fact, many look like real candy.

Some of the flavoured tobacco products on the Canadian market (besides menthol cigarettes) include flavoured cigars, flavoured cigarillos (weighing more than 1.4 grams), bidis, blunts, flavoured waterpipe tobacco and flavoured smokeless tobacco (spit tobacco, snus, and dissolvable tobacco). To see examples of some of the types of flavoured tobacco products sold in Canada, copy and paste this link from the Canadian Cancer Society 2014, into your browser:
