

OFFICE OF THE MANAGER OF CONTRACTED STUDENT TRANSPORTATION

MEMO TO: Families of bus eligible students attending MacDonald Drive Junior High

FROM: NLESD Student Transportation Division

SUBJECT: Bus Routes September 2018

DATE: June 21, 2018

This memo is applicable to families of students who will be attending MacDonald Drive Junior High in September 2018, and who are eligible for busing.

If you are receiving this memo, your student's school bus transportation service may be different in the 2018-2019 school year. This is due to the rebalancing of ridership among bus routes.

Furthermore, In order to ensure we are providing the most efficient, effective and equitable service for our students and school communities, the Newfoundland and Labrador English School District is reviewing current busing practices to make sure we are adhering to Provincial Government guidelines.

The District is aware that in some areas of the province, there has been a practice of providing busing within the 1.6 km, family responsibility zone. Please be advised that the District must operate within [the guidelines outlined by the Department of Education and Early Childhood Development](#).

Therefore, this memo is to inform you that as of September 2018, the District will be planning bus stops and routes that will strictly adhere to departmental policies and the District's [Courtesy Seating Protocol](#). The guidelines relating to this are listed below:

1. Development of school bus routes to minimize distance and time students have to travel to the nearest accessible school.
2. There should be no bus stops located inside the 1.6 km family responsibility zone for the school.
3. Only eligible students, those residing 1.6 km or greater from their zoned school, will be considered when developing bus routes.
4. Students residing inside the family responsibility zone can apply for a courtesy seat. If approved, the student must avail of a bus stop that is located further than 1.6 km from their zoned school. Please note that courtesy seat applications can take up to 6 weeks to approve.

In accordance with these guidelines, **the stop currently located at 38 Dublin Rd will no longer be serviced.**

While we apologize for any inconvenience this may cause, it is our hope that by providing this information well in advance, families can make alternate arrangements.

If you have any questions relating to the Courtesy Seating Protocol, or your child's eligibility for transportation, please refer to our Eastern Region Public Inquiry Form located at: <https://www.nlesd.ca/schools/busing/index.jsp>. This webpage also provides further information on the overall student transportation efforts of the District, as well, for those who may be interested.

Please see attached bus route documents for further details. Bus route documents can also be obtained from the school's profile page on the District's website, www.nlesd.ca.
