Dear MDJH Sport Team Families:

Every attempt has been made to identify a teacher sponsor for _____;
However, no teacher sponsor was identified. In order for your child to participate with their school team sport, parental consent must be given to the coach prior to the sporting practice taking place. **This consent is for the entire year of practice and will be kept on file in the administration office. Practices will not take place until all documentation from every player is in place.**

Please see the consent designation below and return to the head coach as soon as possible. They will compile and deliver to the administration team.

I hereby give permission for my child: _____
to participate in the _____ program for Grade _____ boys - girls at Macdonald Drive Junior High on _____ from _____ pm to _____ pm. I understand that this program is being run by coaches and parent volunteers in the event there is no teacher sponsor present.
